HR Outsourcing Services

Outsourcing human resources tasks to specialized professionals enables a strategic focus on business development while delegating routine responsibilities. Our strategic HR partnership facilitates your company's expansion by harnessing our seasoned support. Our services encompass the following areas:

- HR self-service.
- Payroll management.
- Government transactions.
- HR consultation and management.

- **Force for positive change** Adds value in the form of tangible, positive, and lasting impact.
- **Partnership** a long-term view guides our relationships both internally and with clients.
- **Expanding the art of possible** because it is not simply to apply best practices but also creating them.
- **Agility** as a mindset to build competitive advantage and differentiated capabilities.
- **Integrity** as an expression of courage and accountability.
- **Respect for the individuals** and their desire for personal growth.
- **Diversity and inclusion** of thought, expertise, experience, and background.

Our Values

Founders

Rania Aloulabi

Business consultant and certified trainer with over 15 years of experience, specializing in strategic management, human resource development, and strategic planning in various sectors in Europe and the Middle East. Known for her ability to enhance and develop organizations, retain talents, and implement tailored solutions to enhance performance and operational efficiency.

Her ability to support growth in startups and foster collaborative work environments is evident in her role as a Certified Agile Coach, guiding teams towards flexibility and productivity improvement, committed to driving innovation and employee satisfaction.

She holds a Bachelor's degree in Business Administration from Syria and a Master's degree in Human Resource Management from Egypt. She also obtained accreditation certificates from the European Accreditation Center in the Netherlands and is a certified member of the International Consortium for Agile in the United States.

Moutayam Altaweel

With over two decades of diverse experience, Mutayam Altaweel is a seasoned Training and Development specialist renowned for his impactful solutions in various industries. His expertise spans management, leadership, negotiation, HR, customer service, and sales techniques. Notably, Mutayam excels in structuring ideas, crafting training programs, and fostering relationships. His HR background involves strategic formulation, recruitment, and policy design. Additionally, as an Agile Coach, he enhances operational efficiency by optimizing resource allocation. Mutayam's extensive skill set, including creativity, initiative, and humor, makes him a valuable asset in navigating professional complexities.

He holds a Bachelor's degree in Business Administration from Syria and a Master's degree in Business Administration from the Netherlands. He is also certified by the European Accreditation Center in the Netherlands and is a certified member of the International Consortium for Agile in the United States.
